

# Utrecht Meet-up

## CARPE Special Interest Group on AI & Data

Join us on May 12th and 13th in the lovely Dutch city of Utrecht, home to the HU University of Applied Sciences, to discuss:

- Possible collaborations;
- Exchanges of educational ideas/resources;
- Exchange of research ideas;
- Form consortia for (future) research proposals;
- Meet fellow researchers/educators.

Come and meet your fellow CARPE researchers and lecturers with an interest in technical and social aspects of Artificial Intelligence and Data.
