

## World List of Sustainability Researchers

The World List of Sustainability Researchers, prepared by the **Inter-University Sustainable Development Research Programme (IUSDRP)** aims at connecting and showcasing the scientific profile, areas of interest and academic achievements of sustainability researchers round the world. For data protection reasons, e-mails addresses are not included. The contact details of all experts can be found by the usual search engines.

If you wish to be informed of opportunities for projects, scientific publications or events on sustainable development you may consider joining IUSDRP's mailing list at: <https://www.jiscmail.ac.uk/cgi-bin/webadmin?A0=IUSDRP>.
