Introduction

The master course Process Engineering (PE) contains three semesters, the last one is reserved for the master thesis. The current lectures are gathered in the plan with the abbreviation SwPE (winter) or SsPE (summer). Most of the lectures only take place once a year.

Programme guidance

Information about lectures, practices, project work, tests, and examination regulations will be provided by Prof. Dr. Beyer. An appointment will be announced separately in the beginning of the semester. The attendance is obligatory to ensure the trouble-free progress of your studies.
